

WHAT YOU SHOULD KNOW: A colonoscopy is a procedure that examines the colon (large bowel). **INSTRUCTIONS:** Take your medicine as directed: Ask for information about where and when to go for follow-up visits: Prevent constipation: Eat healthy foods: Drinking liquids: Rest. Follow a special diet the day before the exam. Typically, you won't be able to eat solid food the day before the exam. Drinks may be limited to clear liquids — plain water, tea and coffee without milk or cream, broth, and carbonated beverages. Avoid red liquids, which can be confused with blood during the colonoscopy. Doctors & Departments - What you can expect - Patient stories.
