ASKO STAIN GUIDE

With this intelligent solution you can choose between 40 different stains (for instance blood, grass, wine or butter) on 4 different types of fabric (cotton, polyester, silk or wool) and find out the best method to remove the stain.

GLOSSARY FEATURE OVERVIEW

A section that features a complete glossary containing all of our unique trademarks and features. It is a useful page that will help you get a complete overview of all our trademarks and programs. They are listed in alphabetical order to make it easy to find what you're looking for.

FIND YOUR PRODUCT

Color, size, energy consumption, spin speed! To make it easier for you to choose our products, we have developed this excellent tool and by asking you some key questions it helps you more easily find the right model for your needs.

ACCESSORIES

Below each appliance you view on our website you can click on a link to find out which accessories are available for the product. This will help you find the perfect solution for your personal needs and requirements. All of our models can be supplemented with a range of enhancements to facilitate your work in the kitchen or laundry area.

NEWS

In our news section, we present a selection of our new products and features, as well as our latest press releases and a photo library.

ABOUT ASKO

You can find more information about ASKO as a company and our core values.

ASKO WORLDWIDE

Find out where ASKO products are available in your country by clicking on 'ASKO worldwide' in the top menu. Here you can find your local market's website in your own language. On your country website you can, for instance, find out where your nearest dealer is located and who to contact if you need service or have any other questions.

ULTRACARE™ LAUNDRY CARE COMBINATIONS

Our UltraCare™ Laundry Care system is an innovative and flexible solution for any laundry room. On our website you can view the different possibilities and combinations of our various UltraCare™ Laundry Care appliances. The products harmonize to create a unified appearance whether you want to use them in a large or smaller setting. They are also modular, which means they can stand as single components or as an entire system. Whichever solutions appeal to you, you can create a functional, harmonious overall impression that will suit your needs perfectly.

SERVICE AND INSTALLATION

On our website you will find installation guidelines and service manuals for all our products. Should you require any service or assistance, you can easily find your nearest service location or support line.

As an important part in our environmental work we have taken the natural choice to print this brochure on FSC labeled paper.
